A NOTE ON CHILD SAFETY STANDARDS

1. Whilst NOT mandatory, a Working with Childrens Check (WWCC) is recommended for all Parents/Members
2. It is absolutely mandatory for all CJSS Volunteers to have a current WWCC.

We encourage parents/caregivers to please read our Child-Safety Policy for CJSS on our website www.callallajuniorsailingschool.com and to obtain as soon as possible a Working-With Children Check

We encourage Parents/Care-givers to complete one or more e-modules of the NSW Child-Safety Act <https://ocg.nsw.gov.au/training-and-resources/elearning>

Note

Volunteers who are involved in an activity that has their child in it do not need a WWCC (parent exemption)

If they start volunteering in an activity that doesn't have their child involved, they then need to have a WWCC.

A NOTE ON CODE OF CONDUCT

We are committed to creating and maintaining an environment that promotes the safety of all children.

This includes encouraging a culture where the prevention and reporting of abuse is supported and encouraged.

***All Staff, Volunteers and Parents are responsible for promoting the safety, wellbeing and empowerment of children.**

***All Staff, Volunteers and Parents will behave and speak in a manner that is respectful, inclusive and supportive to each other and all children.**

*We welcome parents and carers to participate in decisions about their child's training schedule and any other matters about their safety

*All concerns are to be raised with management if risks to child safety are identified, including cultural, environmental and operational risks

*CJSS will respect the privacy of children and their families by keeping all information about child protection concerns confidential

* CJSS will communicate with parents and carers if there are situations that need to be safely managed but are outside the boundaries of this Code of Conduct (such as driving an athlete to a swimming competition or undertaking one-on-one training sessions)

*All Staff, Volunteers and Parents are to report and act on any concerns or observed breaches of this Code of Conduct

Engaging in unacceptable behaviour/language is a breach of this Code of Conduct and may result in managerial or disciplinary action

I acknowledge, have read and understood the CJSS Code-of Conduct and agree to abide by its terms.
